**NOTICE CONCERNING ALL TERMS AND CONDITIONS AND RATES**

The State of Maine Public Utilities Commission requires that each telephone utility’s Terms and Conditions comply with and not conflict with requirements of Maine Statutes (primarily in Title 35-A) and MPUC rules. Any provision in these Terms and Conditions or rate schedules that conflicts with a Maine statute or MPUC rule is inapplicable and will not be enforceable. The following rules apply to telephone utilities and contain provisions that affect matters that commonly appear in telephone utility Terms and Conditions:

Chapter 204 – Basic Service Calling Areas

Chapter 230 – Installation, Maintenance and Ownership of Customer Premises Wire

Chapter 250 – Coin-operated Telephone Service

Chapter 280 – Provision of Competitive Telecommunications Services

Chapter 294 – Lifeline and Link Up Service Programs

Chapter 296 – Selection of Primary Interexchange and Local Exchange Carriers

Chapter 870 – Late Payment Charges, Interest Rates to be Paid on Customer Deposits, and Charges for Returned Check Fees

Chapters 86, 290, 291 and 292 concerning application for service, billing, payment, deposit, disconnection, dispute resolution, and other credit and collection procedures.

In addition, the following provisions (the first two of which are required by statute) are part of this utility’s Terms and Conditions:

1. For Interexchange Service:

Discount for Hearing-Impaired Customers. Upon customer request, the Company will automatically apply a 70% reduction for intrastate toll calls made from a line used by certified deaf, hard-of-hearing or speech-impaired persons who must rely on teletypewriters for residential telephone communications, and others as provided in 35-A M.R.S.A. Sect. 7302. To qualify for an automatic reduction, the customer must submit an affidavit to the Company on a form approved by the Maine Department of Human Services, stating that due to one of the aforementioned conditions, the customer or a member of the household must rely on a teletypewriter for telephone communications, and the equipment is connected or acoustically coupled to his telephone. Upon request, customers making calls to certified persons are eligible for a 70% rate reduction for relevant billed calls made during each billing period.

2. For Local Exchange Service:

Enhanced Universal Emergency Number Service – E911 – Surcharge. An Enhanced Universal Emergency Number Service (E911) surcharge, as provided in 25 M.R.S.A. Sect. 2927 (1-A), applies per month to each residence and business access line, including PBX trunks, Centrex access lines, semipublic coin lines, and public access lines, in addition to the monthly rates for these lines specified elsewhere in these schedules. The surcharge shall not be imposed upon more than 25 lines per customer billing account.

3. For Both Local and Interexchange Services:

Any provisions in these Terms and Conditions that limit liability or damages do not apply to the extent they conflict with 11 M.R.S.A. Sect. 2-316(5) of the Maine Revised Statutes, Exclusion or Modification of Warranties.

This utility agrees that it is responsible for complying with all applicable rules of the MPUC and with the Maine Revised Statutes. It understands that if it applies or enforces any provision of these Terms and Conditions that is in conflict with a rule of the MPUC, or the Maine Revised Statutes, the rule or statute will govern; and the utility may be subject to action by the Consumer Assistance Division of the MPUC or an investigation by the Commission pursuant to 35-A M.R.S.A. **SECTION 3 - DESCRIPTION OF SERVICE AND RATES****3.7 Public Telephone Surcharge**

In order to recover the Company's expenses to comply with the FCC's pay telephone compensation plan effective on October 7, 1997 (FCC 97-371), an undiscountable per call charge is applicable to all interstate, intrastate and international calls that originate from any domestic pay telephone used to access the Company's services. This surcharge, which is in addition to standard tariffed usage charges and any applicable service charges and surcharges associated with the Company's service, applies for the use of the instrument used to access the Company service and is unrelated to the Company's service accessed from the pay telephone.

Pay telephones include coin-operated and coinless phones owned by local telephone companies, independent companies and other interexchange carriers. The Public Pay Telephone Surcharge applies to the initial completed call and any reoriginated call (i.e., using the "#" symbol).

Whenever possible, the Public Pay Telephone Surcharge will appear on the same invoice containing the usage charges for the surcharged call. In cases where proper pay telephone coding digits are not transmitted to the Company prior to completion of a call, the Public Pay Telephone Surcharge may be billed on a subsequent invoice after the Company has obtained information from a carrier that the originating station is an eligible pay telephone.

The Public Pay Telephone Surcharge does not apply to calls placed from pay telephones at which the Customer pays for service by inserting coins during the progress of the call.

Each Customer is charged individually for each call placed through the Company. Charges may vary by service offering, class of call, time of day, day of week, class of call and/or call duration.

**4.2 Late Payment Charge**

The company will charge a one-time 1.06% late payment fee on all invoices not paid by the due date identified on the Company bill.

**4.3 Return Check Charge**

As provided in Chapter 870 of the MPUC's Rules, the Company will assess a return check charge of \$5.00 per account to which the check is applied or the amount the bank charges the Company, not to exceed \$15.00 whenever a check or draft presented for payment of service is not accepted by the institution on which it is written. If the Company charges more than \$5.00, the Company shall furnish the customer with proof of the bank charge. This charge applies each time a check is returned to the Company by a bank for insufficient funds.

**4.4 In-State Connection Fee**

This monthly charge is applied if a Customer has \$0.01 or more of new billable charges on their bill, including, but not limited to, monthly recurring charges, or minimum usage charges. This charge does not contribute towards any applicable minimum monthly charge. This charge is not applied to customers who also subscribe to Company's local exchange services.
