ITEM 2

APPROVAL OF NON-EXECUTIVE DIRECTORS' CASH COMPENSATION

On March 6, 2008, the regulations promulgated under the Israeli Companies Law concerning compensation of "outside directors" (as defined under the Companies Law) in public companies were amended to, among other things, set higher cash compensation rates. Pursuant to such amendment, the Company's board of directors was required, in order to comply with such regulations, to promptly increase the cash component of the compensation of its outside directors to the minimum annual fee of NIS 58,500 (currently equivalent to \$17,515) and the minimum meeting attendance fee (including meetings of committees of the board of directors) of NIS 2,060 (currently equivalent to \$617), effective from March 6, 2008. The regulations also require that the compensation of outside directors not exceed the average compensation of the other directors. However, changing the compensation of our other directors requires shareholder approval under the Companies Law. Accordingly, at the Meeting, our shareholders will be asked firstly to approve the requisite increase in the cash compensation of our other directors, effective from March 6, 2008, subject to pro-ration of the annual fee for a partial year.

The compensation rates of the outside directors under said regulations had not been updated for years, while the business of the Company has grown substantially. The shareholders of the Company previously approved compensation for each director consisting of an annual fee of \$15,000, a meeting attendance fee of \$600 and an annual grant of options to purchase 5,000 of the Company's ordinary shares at the market price on the date of grant. The Chairman of the board of directors receives additional compensation (see Item 3 below).

Under the Israeli Companies Law, as opposed to the corporate law governing companies incorporated in the United States, shareholder approval of all elements of director compensation is required. Under the "relative" compensation alternative set forth in the amended regulations, the compensation paid to outside directors is based on the compensation paid to "other directors" (which excludes those that perform special functions) from time to time. In order to conform to the principle of the amended regulations to increase the cash compensation of directors, the Company proposes to increase the cash component of the compensation of all its directors in accordance with the revised rates set forth in the amended regulations. The Company proposes to pay the cash component of the compensation to its directors in New Israeli Shekels (NIS) in order to ensure ongoing compliance with the Companies Law and the regulations promulgated thereunder, which are denominated in NIS.

Specifically, at the Meeting, the shareholders will be asked to approve the payment to the Company's directors, including its outside directors, who may serve from time to time, of cash compensation in the amount of NIS 90,000 (currently equivalent to \$26,946) per year and NIS 3,250 (currently equivalent to \$973) per meeting (including for meetings of committees of the board of directors), effective from the date of the Meeting.

The currency translations set forth in this Item 2 and Item 3 are based on the representative exchange rate published by the Bank of Israel on June 17, 2008. As contemplated by the applicable regulations, the cash amounts set forth above are subject to adjustment for changes in the Israeli consumer price index after December 2007.

Pursuant to the Companies Law, the proposed increase in the cash component of the compensation of our directors requires the approval of the internal audit committee, the board of directors and the shareholders, in that order. The proposed changes in compensation described above have been approved by the internal audit committee, the compensation committee and the board of directors.

- 2.a. **"RESOLVED**, that the cash compensation of each director (excluding the outside directors, whose compensation is set at this amount), effective March 6, 2008, be increased to and set at NIS 58,500 per year and NIS 2,060 per meeting, as set forth in Item 2 of the Proxy Statement."
- 2.b. **"RESOLVED**, that the cash compensation of each director (including the outside directors), who may serve from time to time, effective from the date of the Meeting (or the date of such director's election or appointment, if later), be increased to and set at NIS 90,000 per year and NIS 3,250 per meeting, as set forth in Item 2 of the Proxy Statement."

The Board of Directors recommends that the shareholders vote FOR approval of the proposed resolutions.

ITEM 3

APPROVAL OF CHAIRMAN'S SPECIAL ANNUAL FEE

In line with the change of directors' fees to NIS instead of U.S. dollars, the Company proposes to increase the Chairman's special annual fee and set a fixed NIS amount. Currently the Chairman is entitled to a special annual cash fee of \$36,000 in addition to the compensation paid to each other director (see Item 2 above). The Chairman is also entitled to an annual grant of 15,000 options (instead of the 5,000 options granted to the other directors). The role of the Chairman at our Company requires the devotion of much time and attention and the increase in the special annual fee is intended to compensate the Chairman for such contribution. The Company believes that a special annual cash fee of NIS 180,000 (currently equivalent to \$53,892) is fair and reasonable.

Pursuant to the Companies Law, the compensation of directors requires the approval of the internal audit committee, the board of directors and the shareholders, in that order. The increase in the Chairman's special annual fee described above has been approved by the internal audit committee, the compensation committee and the board of directors.

The affirmative vote of the holders of a majority of the Shares present, in person or by proxy, and voting on the matter is required for the approval of this matter.

It is proposed that at the Meeting the following resolution be adopted:

"RESOLVED, that the proposed special annual cash fee of the Chairman of the board of directors in the amount of NIS 180,000, as set forth in Item 3 of the Proxy Statement, be, and the same hereby is, approved."

The Board of Directors recommends a vote FOR approval of this proposed resolution.

ITEM 4

REAPPOINTMENT OF INDEPENDENT AUDITORS

At the Meeting, the shareholders will be asked to approve the reappointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the Company's independent auditors until the next annual general meeting of the Company. The reappointment has been recommended by the Company's audit committee and board of directors. Kost Forer Gabay & Kasierer, CPA, has no relationship with the Company or with any affiliate of the Company, except as auditors, and, to a certain extent, as tax consultants. The shareholders will also be asked to authorize the board of directors to fix the compensation of the auditors in accordance with the amount and nature of their services, or to delegate such power to the Company's audit committee, as contemplated by the Sarbanes-Oxley Act of 2002.

The affirmative vote of the holders of a majority of the Shares present, in person or by proxy, and voting on the matter is required for the approval of this matter.

It is proposed that at the Meeting the following resolution be adopted:

"RESOLVED, that Kost Forer Gabay & Kasierer, CPA, a member of Ernst & Young Global, be reappointed as the independent auditors of the Company until the next annual general meeting of the Company, and that the board of directors of the Company be authorized to fix their compensation in accordance with the amount and nature of their services, or to delegate such power to the audit committee of the Company."

The Board of Directors recommends a vote FOR approval of this proposed resolution.

ITEM 5
