ELECTION OF DIRECTORS (EXCLUDING “OUTSIDE DIRECTORS”)

Under the Company’s articles of association, the Board of Directors is to consist of not less than three and not more than thirteen directors, unless otherwise determined by resolution of the Company’s shareholders. Directors of the Company, other than outside directors, are elected at each annual general meeting of shareholders. At the Meeting, shareholders will be asked to elect five (5) members to the Board of Directors, aside from the two outside directors of the Company. All the nominees for election qualify as “independent directors”, as provided below.

The Company’s Board of Directors wishes to be comprised of a balanced combination of experienced directors who are familiar with the Company’s business and practices, namely Messrs. David Kostman and Rimon Ben-Shaul, and three relatively new members who bring global perspectives to the Board and provide industry acumen and expertise, namely: Messrs. Yehoshua (Shuki) Ehrlich, Leo Apotheker and Joseph Cowan. In addition, we have three outside directors, two of whom are familiar with the Company and one who is a relatively new member, appointed as mandated by the Israeli Companies Law. This combination positions the Board with the right mixture for addressing the next challenges the Company may face and lead it to the continuation of its success. The Company will continue in the future to enhance the capabilities of its Board, seeking new members who may bring global experience, particularly in the hi-tech arena, along with experience in the markets in which we operate.

The Company’s Board of Directors is currently comprised of eight (8) directors, including three (3) outside directors. The Company’s Nominating Committee, Internal Audit Committee and Board of Directors have proposed the following five (5) nominees as the slate of directors (besides the three outside directors, two of which are standing for election pursuant to Item 2 below) to be elected at the Meeting to serve as directors of the Company until the next annual general meeting of the shareholders, or until termination of office according to the Company’s articles of association and applicable law: Mr. David Kostman (Chairman), Mr. Rimon Ben-Shaul, Mr. Yehoshua (Shuki) Ehrlich, Mr. Leo Apotheker and Mr. Joseph Cowan.

As previously approved at our 2015 annual general meeting of shareholders, each non-executive director, including each outside director, shall be entitled to an annual fee of \$40,000 and a meeting attendance fee of \$1,500 for each Board meeting attended, and \$1,000 for each Board committee meeting attended (or 60% thereof, respectively, for a meeting designated as a telephonic meeting) (in each case paid in U.S. dollars or in NIS based on the exchange rate on the date of the approval by shareholders), subject to additional value added tax, as applicable. In addition, our shareholders approved a supplemental annual cash fee for the Chairman of the Board in the amount of NIS 450,000 (equivalent to approximately \$116,853), subject to adjustment for changes in the Israeli consumer price index after September 2012. Also, as previously approved at our 2012 annual general meeting of shareholders, each director of the Company is covered by the Company’s current directors and officers liability insurance policy, as approved by the shareholders at the 2012 and 2015 annual general meetings and directors and officer’s indemnification of up to the maximum amount permitted by law, all in accordance with any applicable law and the Company’s articles of association. See Item 3 below for details regarding the equity-based compensation of the Company’s non-executive directors.

None of the nominated directors have any relationship with the Company. **Our Nominating Committee, Internal Audit Committee and Board of Directors determined that, all of the nominees qualify as “independent directors,” as defined by the NASDAQ listing rules and all of the nominees, excluding the Chairman, qualify as “independent directors” pursuant to regulations under the Israeli Companies Law.**

ELECTION OF OUTSIDE DIRECTORS

Companies incorporated under the laws of Israel whose shares have been offered to the public, such as the Company, are required by the Israeli Companies Law to appoint at least two outside directors. Pursuant to the Israeli Companies Law, the outside directors are elected by the shareholders for three-year terms. All of the outside directors of a company must be members of its internal audit committee and compensation committee, and each other committee of a company's board of directors that is authorized to exercise powers of the board of directors must include at least one outside director.

The Company currently has three outside directors, Mr. Dan Falk, Ms. Yocheved Dvir and Ms. Zehava Simon. Mr. Falk and Ms. Dvir were elected for an additional three year term by the shareholders of the Company at the Annual General Meeting that took place on August 27, 2013, effective as of January 1, 2014, and Ms. Simon was elected for her first three year term by the shareholders of the Company at the Annual General Meeting that took place on July 9, 2015 with immediate effect. Mr. Falk is currently serving a fifth term as outside director and Ms. Dvir is currently serving a third term as outside director. Our Nominating Committee and Board of Directors resolved to recommend that our shareholders elect Mr. Dan Falk and Ms. Yocheved Dvir as outside directors for an additional term of three years.

The reasons underlying this resolution include Mr. Falk's and Ms. Dvir's vast business experience and financial expertise, which is summarized below, and their knowledge of the Company, its markets and related fields of operations. Furthermore, Mr. Falk has been serving as the chair of the compensation committee of the Board, and Mr. Dvir has been serving as the chair of the internal audit committee of the Board. The entire Board sees great value in their continuing leading such roles, especially when there is general focus on compensation issues and corporate governance issues by regulators and shareholders. The nominations committee, internal audit committee and board of directors believe that Mr. Falk's and Ms. Dvir's continued service as outside directors is in the best interests of the Company.

To qualify as an outside director, an individual may not have, and may not have had at any time during the previous two years, any affiliations with the Company or its "affiliates," as such terms are defined in the Israeli Companies Law. In addition, no individual may serve as an outside director if the individual's position or other activities create or may create a conflict of interest with his or her role as an outside director. The Company's Internal Audit Committee has determined that Mr. Falk and Ms. Dvir fully meet these qualifications.

As stated above, Mr. Falk's and Ms. Dvir's current three year term will end on December 31, 2016. The nominating committee, internal audit committee and Board of directors resolved to recommend that pursuant to the Companies Law and the Company's Articles of Association, Mr. Falk's and Ms. Dvir's re-election will become effective on January 1, 2017.

Pursuant to a previous resolution of the shareholders of the Company, Mr. Falk and Ms. Dvir, as outside directors, shall be entitled to receive compensation identical to that granted to the other non-executive directors from time to time, namely, the annual and per meeting fees, equity grants, as well as to directors and officers indemnification and liability insurance, as approved by the shareholders of the Company, and as may be amended from time to time. See Item 1 and 3 herein for details regarding the cash and equity-based compensation of the Company's non-executive directors, including outside directors. Changes from time to time in the aforementioned compensation terms during a term of service as an outside director shall be in accordance with applicable laws and regulations.

A brief biography of the nominee is set forth below:

Dan Falk has served as one of our statutory outside directors since 2001. From 1999 to 2000, Mr. Falk was President and Chief Operating Officer of Sapiens International Corporation N.V. Mr. Falk holds a Bachelor's degree in Economics and Political Science and a Master's degree in Business Administration, both from the Hebrew University, Jerusalem.

Yocheved Dvir has served as one of our statutory outside directors since January 2008. Since 2000, Ms. Dvir has served as a strategic advisor in business development affairs to multiple companies and initiatives that were being founded. Ms. Dvir joined the Migdal Group in 1981 and, until late 2000, held a number of senior financial and managerial positions, including Head of the Group's Economics Department (1986-1988), Head of the Group's Corporate Office (1989-1992), Head of the Group's General Insurance Division and Corporate Office (1993-1997), Group CFO (1997-1999), Head of the Group's Strategic Development Division and Marketing Array and Risk Manager (2000). Ms. Dvir holds a Bachelor's degree in Economics and Statistics from the University of Haifa and completed studies towards a second degree in Statistics from the Hebrew University of Jerusalem.

It is proposed that at the Meeting the following resolutions be adopted:

- 2.A. **"RESOLVED**, that Mr. Dan Falk be elected to a three-year term as outside director of the Company, effective as of January 1st, 2017."
- 2.B. **"RESOLVED**, that Ms. Yocheved Dvir be elected to a three-year term as outside director of the Company, effective as January 1st, 2017."

Required Vote

Under the Israeli Companies Law, the election of an outside director requires the affirmative vote of a majority of the shares present, in person, by proxy or by electronic voting, and voting on the matter; provided that the shares voted in favor of the election include at least a majority of the shares voted by shareholders who are not "controlling shareholders" and do not have a "personal interest" in such matter, except for a personal interest that is not a result of such shareholder's relation to the "controlling shareholders", pursuant to the requirements and as defined under the Israeli Companies Law, or that the total number of shares voted by shareholders who are not "controlling shareholders" and do not have such a "personal interest" in such matter, that were cast against such resolutions, do not exceed two percent of the aggregate voting rights in the Company.

NICE

The Israeli Companies Law requires that each shareholder voting on the proposed resolution indicate, prior to the voting at the Meeting, whether or not the shareholder is a controlling shareholder or has a personal interest in the proposed resolution as a result of a relationship with a controlling shareholder. Otherwise, the votes of such shareholder may not be counted.

For this purpose, a "controlling shareholder" is any shareholder that has the ability to direct the company's activities (other than by means of being a director or office holder of the Company). A person is presumed to be a controlling shareholder if it holds or controls, by himself or together with others, one half or more of any one of the "means of control" of a company. "Means of control" is defined as any one of the following: (i) the right to vote at a general meeting of a company, or (ii) the right to appoint directors of a company or its chief executive officer. **The Company is not currently aware of any "controlling shareholder," as defined under the Israeli Companies Law, and therefore expects that none of its shareholders have a personal interest with respect to proposals 2.A. and 2.B. as a result of a relationship with a controlling shareholder.**

Under the Israeli Companies Law, a "personal interest" of a shareholder (i) includes a personal interest of any members of the shareholder's family (or spouses thereof) or a personal interest of an entity with respect to which the shareholder (or such family member) serves as a director or chief executive officer, owns at least 5% of its outstanding share capital or voting power or has the right to appoint a director or chief executive officer and (ii) excludes an interest arising solely from the ownership of our Shares.

In the enclosed form of proxy/voting card, ADS holders are required to indicate whether or not they are a controlling shareholder or have a personal interest in this proposal. If you have a question as to whether or not you are a controlling shareholder or have a personal interest, please contact the Company's Corporate Secretary and General Counsel, at +972-9-775-3911 or yechiam.cohen@nice.com for instructions on how to vote your Shares represented by your ADSs and indicate that you are a controlling shareholder or have a personal interest or, if you hold your ADSs in "street name," you may also contact the representative managing your account, who would then contact us on your behalf. Shareholders who hold their shares through banks, brokers or other nominees that are members of the TASE and who wish to vote electronically via MAGNA, the electronic voting system of the ISA, should indicate whether or not they are a controlling shareholder or have a personal interest on the form of voting card that we have filed via MAGNA.

The Board of Directors recommends a vote FOR approval of the proposed resolutions.

AMENDMENT OF MEMORANDUM AND ARTICLES OF ASSOCIATION

The Company proposes to adopt at the Meeting an amendment to its Memorandum and Articles of Association, as described below. Following the approval of the proposed amendment, the Company will accordingly restate its Memorandum and Articles of Association.

Amendment of the Company's English and Hebrew Name

According to our Memorandum and Articles of Association, our English name is "NICE-Systems Ltd." and our Hebrew name is "נייס סיסטמס בע"מ". Following the sale of NICE's Cyber and Intelligence and Physical Security business unit, the Company has completed its transformation into a pure software company. Our global brand is NICE, so is our ticker, and we are known around the world as "NICE". The Company's current name does not reflect this change and our brand, and therefore our board of directors has resolved to change our English and Hebrew name, so that the word "Systems" will be deleted. In the event that the proposed change of name is not approved by the Israeli Registrar of Companies, our Chairman of the board of directors will be authorized to select a different name containing the name "NICE" in combination with another word or expression or to leave the name unchanged (both with respect to the name in English and Hebrew). At the Meeting, the shareholders will be asked to approve this amendment to our Memorandum and Articles of Association.

It is proposed that at the Meeting the following resolution be adopted:

"RESOLVED, that the Company's Memorandum and Articles of Association be amended so that the English name in the title will change from "Nice-Systems Ltd." to "NICE Ltd.", and the Hebrew name in the title will change from "נייס סיסטמס בע"מ" to "נייס בע"מ", or as the Chairman shall determine as stated in Item 3 of the Proxy Statement".

Required Vote

The affirmative vote of the holders of a majority of the Shares present, in person, by proxy or by electronic voting, and voting on the matter, is required for the approval of this matter.

The Board of Directors recommends a vote FOR approval of these proposed resolution.

NICE

**APPROVAL OF A GRANT OF OPTIONS AND RESTRICTED SHARE UNITS TO THE
COMPANY'S NON-EXECUTIVE DIRECTORS**

The Company's Compensation Policy for executive officers and Directors (the "**Compensation Policy**") authorizes equity grants to members of the Board of Directors of the Company. The grant of equity based awards to directors of the Company, although granted under an existing option plan of the Company, requires shareholders' approval pursuant to the Israeli Companies Law.

As an incentive for their contribution and efforts as directors of the Company, and based on the comparison to compensation granted to directors of comparable companies according to a benchmark prepared using publicly available data of peer companies in our industry on a global basis, which were selected pursuant to a survey prepared in 2014 by Radford, an international compensation surveying company (the "**Benchmark**"), and in line with our practice in the last few years, the Company's Compensation Committee and Board of Directors have approved, and resolved to recommend that our shareholders approve, an annual equity grant to our non-executive directors serving in 2016 as follows (which is identical to the grant approved by the shareholders at the 2015 annual shareholder meeting):

- (a) To grant to each of the directors (other than the Chairman) (i) options to purchase 6,000 Shares at an exercise price equal to the "Market Value" (as defined below) (the "**Market-Value Options**") and (ii) 1,500 Par-Value Options or restricted share units ("**RSUs**") (based on jurisdiction); and
- (b) To grant to the Chairman: (i) 18,000 Market-Value Options, and (ii) 3,000 RSUs.

The Board of Directors has resolved to recommend that our shareholders approve the above grant of equity awards to each of our directors elected at the Meeting and to each of the Company's outside directors (currently serving and elected at the Meeting). Pursuant to a resolution of the shareholders from the Company's 2007 annual shareholders meeting, the outside directors receive equity compensation identical to that granted to other non-executive directors of the Company from time to time.

To the extent that the "Equity Value" (as defined under the Compensation Policy) of the grants exceeds the maximum cap set under the Compensation Policy (i.e., US\$ 200,000) and with respect to our Chairman, three times this amount (the "**Cap**"), then the equity grants recommended above shall not exceed the Caps and be reduced while maintaining the same ratio between Market-Value Options and RSUs (with fractional units resulting from such reduction being rounded downwards).

The Market-Value Options will vest in four equal three-month installments over twelve months as of the date of grant (which will be the date of approval by the shareholders), and the Par-Value Options or RSUs will vest upon the earlier of (i) twelve months from the date of approval by the shareholders, or (ii) the date of the next annual meeting of shareholders, provided that such director is still a director of the Company on the applicable vesting date. Any future equity grants to our directors will be brought to the Company's shareholders for approval.

The above proposed equity grant is recommended by our Compensation Committee and our Board after considering the guidelines of our Compensation Policy and other required elements pursuant to the Israeli Companies Law, and taking into consideration the Benchmark with respect to compensation granted to members of boards of directors of comparable companies.

The equity awards will be granted on the date of the Meeting, if approved by our shareholders, under the Company's 2016 Share Incentive Plan (the "2016 Plan"). The exercise price of the Market-Value Options will be equal to the average closing price per share of one ADR of the Company as quoted on the NASDAQ Stock Market during the 30 consecutive calendar days preceding the date of grant (the "Market Value"). The Par-Value Options or RSUs shall have an exercise price of NIS 1.00 per share, which is the par value of each Share. The expiration date of the options shall be six years from the date of grant.

All of the terms of the Market-Value Options and Par-Value Options or RSUs not specifically set herein, shall be in accordance with the 2016 Plan.

Out of the pool of Shares authorized for issuance under the Company's equity based compensation plans during calendar year 2016, the Company has granted 227,206 awards to date. As of March 10, 2016, a total of 3,091,116 options and RSUs were outstanding under the Company's share based compensation plans, which constitute approximately 5.2% of the issued and outstanding share capital of the Company as of such date. The Company's calculation shows that even assuming that the entire remainder of the authorized pool of equity based compensation for 2016 were to be granted, which allows for the issuance of up to 1,856,222 additional awards (including the grants proposed in hereunder in Items 4 and 5 of the Proxy Statement), the total aggregate number of equity awards, including the already outstanding grants and the grants made this year, on a fully diluted basis (also consisting of 173,860 restricted share units and options assumed on March 23, 2016, as a result of an acquisition), would constitute less than 10% of our issued and outstanding share capital as of March 10, 2016.

The Board of Directors believes that this proposal is in the best interest of the Company, as it aligns the interests of our directors with those of our shareholders and recognizes the time, attention, and expertise required by each of the directors.

In addition to the proposed equity compensation discussed above, each of the Company's directors (including outside directors) would be entitled to compensation as described above in Item 1.

It is proposed that at the Meeting the following resolution be adopted:

"RESOLVED, that the proposed grants of Market-Value Options and RSUs to the directors pursuant to the terms as set forth in Item 4 of the Proxy Statement, be, and the same hereby is, approved."

Required Vote

Under the Israeli Companies Law, approval of director compensation that is consistent with the existing compensation policy requires the affirmative vote of a majority of the shares present, in person, by proxy or by electronic voting, and voting on the matter.

The Board of Directors recommends a vote FOR approval of this proposed resolution.

NICE

APPROVAL OF CERTAIN AMENDMENTS TO THE COMPENSATION OF OUR CEO

Background

Pursuant to the Israeli Companies Law, in general, the terms of office and employment of our Chief Executive Officer (“CEO”) should generally be consistent with the Compensation Policy and should be, approved by the Compensation Committee, Board of Directors and shareholders of the Company, as further detailed below.

The terms of employment of our CEO, Mr. Barak Eilam, were approved by the shareholders on May 27, 2014 and were amended by the shareholders on July 9, 2015.

US Employment

Recently, NICE’s CEO, Mr. Barak Eilam, has accepted the Board of Directors’ request and relocated with his family to the United States.

Due to the relocation, the Compensation Committee and the Board of Directors, reviewed Mr. Eilam’s existing terms of employment and considered appropriate modifications and adaptations to US standards and practices, approving, and recommending to our shareholders to approve, the following amendments, which, if approved, will be effective as of January 1, 2016:

Base Salary - Mr. Eilam’s monthly base salary will be set at \$52,083 (instead of \$40,000). In addition, Mr. Eilam will be entitled to certain customary benefits for US based executives of the Company (including those mandated by local applicable law). The suggested base salary is in line with the salaries of chief executive officers of US based peer companies (as further detailed below) and is an appropriate increase, taking into consideration, among other factors, that the benefits provided to Israeli executive employees, including those mandated by Israeli laws - are considerably more valuable than those customary in the US (for example, higher pension contributions, a “study fund” contribution and a leased car) and that Mr. Eilam will not be entitled to such benefits as a US based employee. Thus, a considerable portion of the suggested increase in the base salary reflects the difference in the value of Mr. Eilam’s benefits as a US based employee.

Annual Cash Bonus - Mr. Eilam is entitled, according to the three year plan for the years 2014-2016 already approved by the shareholders at the 2014 annual shareholders meeting, to an annual cash bonus (CEO MBO Payment), based on achievement of certain performance targets, with the annual target amount set at 100% of his annual base salary. It is suggested, in line with the Company’s current practice and following the review of the benchmark (as discussed below), to continue the existing arrangement, and that the annual target amount shall be 100% of Mr. Eilam’s amended annual base salary. In our 2014 proxy statement, in addition to the overall 200% CEO MBO Payment cap, a cap was set for overachievement of the financial targets (operating profits and revenues). Our Board of Directors now recommends to remove these additional sub-caps set for such financial targets, *provided however* that: (a) both revenue and the profit performance exceed the 100% target; and (b) the general cap set for the CEO MBO Payment remains 200% of his annual base salary (as previously approved by our shareholders).

Separation Terms - Mr. Eilam's severance payment shall emulate his existing arrangement - whereby upon termination by the Company of Mr. Eilam's employment (other than "for Cause"), Mr. Eilam will be entitled to a payment equal to his then current monthly base salary for each of the years of his employment by the Company, including the years prior to his appointment as our CEO (and pro-rata for any part of the year), deducting any payments or contributions on his behalf already made in connection with severance payments in the past.

As a payment of one month's salary for each year of employment is mandatory under Israeli law, and therefore excluded from the term 'separation package' as defined under our Compensation Policy, Mr. Eilam's existing separation terms are in line with our Policy. However, due to the move to the US and subjection to US employment practices, the existing severance payment arrangement is no longer mandatory and will therefore no longer be excluded from our Policy's cap. Accordingly, and as our CEO has worked in the Company in various positions for an extensive period of over 16 years (serving as our CEO since early 2014) – our Compensation Committee and Board of Directors seek our shareholders' approval that, in the event our CEO's employment continues for a number of additional years, the severance payment may, together with the rest of his separation package (which includes a 12 months' notice period), exceed our Policy's cap and therefore deviate from our Policy; *provided* that the severance payments portion thereof, will not exceed 24 monthly salaries at such time.

As the suggested arrangement already exists between the Company and Mr. Eilam under his existing employment agreement and as the possible deviation from the Compensation Policy would be caused only due to a technical difference between the Israeli laws and practices and the US practices, and then only to the extent that Mr. Eilam provides an extensive term of service to the Company both as an employee and as CEO (as stated above, Mr. Eilam has already been serving the Company for 16 years), our Compensation Committee and Board of Directors believe that such arrangement is fair and appropriate, despite being a potential deviation from the terms of the Compensation Policy, and taking into consideration Mr. Eilam's many years of contribution and commitment to the Company, rising through the ranks from an employee all the way to CEO, and being a model for raising homegrown talent in the Company.

For additional information with respect to Mr. Eilam's compensation terms, see Item 3 of the Company's Proxy Statement for the 2014 annual shareholders meeting, filed with the SEC on April 14, 2014 and Item 7 of the Company's Proxy Statement for the 2015 annual shareholders meeting, filed with the SEC on June 1, 2015.

2015 CEO Equity Grant

Following the approval by our Compensation Committee, our Board of Directors approved and resolved to recommend to our shareholders to approve an annual grant of equity based compensation for the year 2016 to our CEO of 60,000 RSUs, 40% of which are subject to performance based vesting criteria ("**PRSUs**") as detailed below. The suggested grant structure is consistent with the Company's new equity grant strategy that applies to all of its executive officers. The Board of Directors approved the proposed grant of RSUs on February 10, 2015 (the "**Board Resolution Date**"). If approved by the shareholders, Mr. Eilam's grant will be effective as of the date of its approval by the shareholders, while the vesting of the RSUs will begin as of the Board Resolution Date. All of the RSUs' terms not specifically set herein, shall be in accordance with the 2016 Plan.

NICE

Accordingly, 36,000 RSUs shall vest in four equal annual installments beginning upon the first anniversary of the Board Resolution Date, and then on each of the three subsequent anniversaries thereafter; and the 24,000 PRSUs shall be subject, in addition to their time based vesting element, to performance based vesting criteria, which is generally based on the improvement of the Company's operating income per share and revenues in accordance with a formula set by the Board of Directors. The "double trigger" mechanism previously approved by the shareholders shall also apply to Mr. Eilam's current equity grant.

Our Compensation Committee and Board of Directors believe the above equity grant to our CEO is in line with the best interests of the Company and its shareholders, providing long-term incentives aimed at ensuring the growth and success of the Company and consistent with the terms of the Compensation Policy.

Relocation Cash and Equity Award

Following the approval by our Compensation Committee, our Board of Directors approved and resolved to recommend to our shareholders to approve, in connection with Mr. Eilam's relocation to the US, (in addition to reimbursement of certain out-of-pocket expenses), a special one-time grant of 5,000 RSUs and a special one-time cash award in an amount of \$30,000 (the cash award will be net of any applicable taxes). This one-time special relocation award to our CEO is intended primarily to compensate and reimburse Mr. Eilam for expenses and financial exposures Mr. Eilam is likely to incur relating to and resulting from the relocation of Mr. Eilam and his family back to the US at the request of the Board of Directors.

The RSUs will vest in four equal annual installments, beginning upon the first anniversary of the Board's approval of such grant, and then upon each of the three subsequent anniversaries thereafter. The vesting of the first installment of the RSUs (25%) shall be subject, in addition to their time based vesting element, to a determined performance criteria, which is based on certain profitability improvement goals.

General: In making their recommendation regarding our CEO's terms of employment, including the amendment thereof, the equity grant and the relocation award, our Compensation Committee and the Board of Directors considered, among other factors, all required factors under our Compensation Policy as well as internal fairness and market trends, including, among others, the need to link our CEO's compensation and performance targets with our business strategy, the responsibilities and duties to be performed by our CEO, the compensation of chief executive officers of peer-group companies in accordance with the benchmark that is based on a survey conducted in 2014 by Radford, targeting peer companies in our industry on a global basis, and by using publicly available information on certain other peer-group companies, taking into consideration the location of our CEO and the local market for top executives, their view of our CEO's expected contributions to the future growth and profitability of the Company, and our CEO's experience, education and past compensation.

In addition, the Compensation Committee and the Board of Directors took into consideration the fact that during his tenure as CEO, Mr. Eilam has presented strong leadership, accomplished tremendous achievements, including significantly improving the Company's operating results, and successfully leading the execution of four M&A deals in order to execute on the Company's strategic plans. Therefore, our Compensation Committee and Board of Directors believe that it is highly important for the Company to provide a competitive compensation package to Mr. Eilam, that is challenging but also rewarding, and strongly linked to the Company's achievements.

NICE

The proposed terms of our CEO's compensation are within the authority granted under the terms of the Compensation Policy (subject to our discussion above regarding the separation payments) and are recommended by our Compensation Committee and Board of Directors after due consideration of all terms and conditions, including applicable laws and guidelines.

It is proposed that at the Meeting the following resolution be adopted:

"RESOLVED, that Mr. Barak Eilam's terms of compensation, as described above in this Item 5 of the Proxy Statement and upon the terms detailed therein, be, and they hereby are, approved."

Required Vote

Under the Israeli Companies Law, approval of CEO compensation requires the affirmative vote of a majority of the shares present, in person, by proxy or by electronic voting, and voting on the matter; provided that the shares voted in favor of such matter include a majority of the shares voted by shareholders who are not "controlling shareholders" and do not have a "personal interest" in such matter pursuant to the requirements and as defined under the Israeli Companies Law, and subject to the conditions of any applicable legislation, or that the total number of shares voted by shareholders who are not "controlling shareholders" and do not have a "personal interest" in such matter, that were cast against such resolutions, do not exceed two percent of the aggregate voting rights in the Company.

The Israeli Companies Law requires that each shareholder voting on the proposed resolution indicate, prior to the voting at the Meeting, whether or not the shareholder is a controlling shareholder or has a personal interest in the proposed resolution. Otherwise, the votes of such shareholder may not be counted. For a discussion of personal interests and voting procedures with respect thereto, please see Item 2 above, under the caption "Required Vote".

The Board of Directors recommends a vote FOR approval of this proposed resolution.
