The Coaching Conversation

Preparing to Coach

Review past sessions and actions since the last session

- What was last coached?
- What is the next skill to be developed?
- What are the priorities for this individual?
- Have I coached on this previously?

Gather data

- What data do you need and how will you get it?
- Specific examples are critical to reinforce the positive and provide evidence of improvement needed

Think about what motivates the person

- How will you position issues to them?
- What are their hot buttons and motivations for being there?
- What might be potential roadblocks from the team member? How will you handle these?

What is my attitude towards this person?
Do I want the best for them?
The team member also prepares

- What have I accomplished since our last meeting?
- Did I meet the objectives set in the action plan?
  If not, why not?
- What challenges and problems am I facing now?
- What new opportunities do I see for myself?
- How do I want to use my coaching time?
Opening

Do a personal check-in

- How are they doing?

Follow-up on actions from the last session

- Review the last action plan
- What has happened since then?

Share Observations

Observation = what a person says or does.

- Focus on description rather than judgment
- Focus on observation rather than inference
- Focus on behavior rather than the person
- Watch out for feedback overload

Ask Questions and Listen

- Focus on “what” rather than “why”
- Be a thinking partner
- Be quiet
- Listen with your whole body
- Empathize
Sample questions:

- What's on your mind?
- What's the real challenge here for you?
- What do you want?
- What is your perspective?
- Before I tell you what I might do, how about your own thoughts on this?
- Have you encountered this problem before? What did you do that worked?
- Any other ways of approaching this situation?
- What would be the best possible outcome for you?
- What could you change in your approach that might bet you better results?
- How can I help?

Make a plan TOGETHER

- Key actions to complete by the next coaching session.
- Training and resource needs
- Clearly state your expectations

Summarize
Coaching Conversations

After the Session

- Document
  - Topics discussed
  - Agreed upon actions
  - Things you need to do
