Digital Customer Experience
DCX is the sum total of all the online interactions a customer has with your brand.

Sample channels:
- Your website
- Live chat and email
- Mobile apps
- Social media channels (Facebook, Twitter, Instagram, etc.)
- Text messages/SMS
- Digital kiosks and Internet-of-Things (IoT) hardware
- Desktop and Software-as-a-Service software

DCX and CX
Fundamental Ingredients to Good DCX

Did the customer complete their task and achieve their goal? 
Was the process smooth and easy?
Did they come away from the interaction feeling good?

Ingredients for an Effective Digital Strategy

1. Align with the overall vision and strategy for the organization
2. Understand current customer journeys
3. Implement the necessary technology
4. Train and support all staff
5. Measure success

1. **Align with the overall vision and strategy for the organization**

2. **Understand current customer journeys**

   - What channels are currently provided to customers, traditional and digital? Which of these are most popular?
   - Where are the points of conflict during a typical customer journey when a customer will reach out for help? Remember to consider the entire journey, from first-touch, to purchase, and afterwards.
   - Is it possible to streamline this journey? What misfunctioning can you correct now?
   - Are there commonly asked questions or processes that customer service teams spend a lot of time answering?

**The importance of omnichannel**
Assess your current channels

- Do they all provide an engaging experience for customers?
- Are there channels that customers prefer that are not being offered?
- Are there channels that customers are not using?
