## **Nextel Partners Selects NICE Contact Center Solutions**

**Ra'anana, Israel, June 7, 2004** – **NICE Systems (NASDAQ: NICE)**, a worldwide leader of multimedia recording solutions, applications and related professional services for business interaction management, today announced that Nextel Partners, Inc. (NASDAQ: NXTP), exclusive provider of wireless digital communications services using the Nextel brand name in mid-sized and rural U.S. markets, has selected NICE Systems' contact center solutions to handle quality management in Nextel Partners Customer Care Centers.

An industry leader in customer retention, Nextel Partners is at the forefront of providing advanced communications solutions with differentiated products such as Nationwide Direct Connect<sup>SM</sup>, a digital long-range walkie-talkie service that enables Nextel customers to communicate from coast to coast at the push of a button. The NICE solutions will support Nextel Partners' efforts to enhance sales, and ensure 100 percent customer satisfaction through the delivery of premier customer service.

"Our partners (employees) are critical to our success in providing the best customer service possible. That's why it's important to provide tools that help them deliver great customer service and reward them for a job well done," said Philip Gaske, Director of Customer Care for Nextel Partners. "NICE is enabling us to effectively manage the standard of service delivered by our sales and customer support representatives. Good work that deserves recognition, as well as areas in need of improvement, can be quickly and easily identified via monitoring and reporting applications that reside within the NICE quality management solution, and which can be customized to fit our specific management objectives."

"Nextel Partners joins our extensive list of world-class telecommunications providers," said Shlomo Shamir, president and CEO of NICE Systems, Inc. "In this highly competitive industry, where bringing new customers online and keeping customer satisfaction high is essential, these organizations rely on NICE to help them deliver the world class customer service their users demand. Having won high profile awards for its work environment and employee benefits, Nextel Partners obviously cares about employee satisfaction as well, and our solutions have well-proven capabilities to ensure that high standards of service within the customer support center do not go unrecognized."

## **About Nextel Partners**

Nextel Partners, Inc. (NASDAQ: NXTP), based in Kirkland, Wash., has exclusive rights to offer the same fully integrated, digital wireless communications services from Nextel Communications (Nextel) in mid-sized and rural markets in 31 states where approximately 53 million people reside. Nextel Partners and Nextel together offer the largest guaranteed all-digital wireless network in the country serving 296 of the top 300 U.S. markets. ## **DIRECTV Selects NICE Web-based Call Center Solutions**

**Ra'anana, Israel, June 29, 2004 – NICE Systems (NASDAQ: NICE)**, a worldwide leader of multimedia recording solutions, applications and related professional services for business interaction management, today announced that DIRECTV, the leading digital multi-channel service provider in the U.S., with more than 12.6 million customers, has chosen to upgrade to NICE's web-based solutions for its call center in Boise, Idaho.

DIRECTV has been utilizing NICE solutions for five years to improve the service it delivers to its customers over the phone. "The NICE web-based solutions have been a useful tool in continuously improving our quality management and consultant training programs," said Peter Giacalone, executive vice president of customer satisfaction, DIRECTV, Inc. "With the NICE solutions upgrade, we will continue growing the skills of our call center employees and understanding the needs of our customers."

"In the highly competitive satellite/cable TV industry where customers are lured from one provider to another with special incentives and price breaks, customer service is a key differentiator that makes companies like DIRECTV stand out from the competition," said Shlomo Shamir, president and CEO of NICE Systems, Inc. "With long experience and proven technological skill and innovation, NICE is well-positioned to provide industry leaders like DIRECTV with solutions that can extract the value in customer interactions for practical use across the enterprise."

### **About DIRECTV**

DIRECTV is the nation's leading digital multichannel television service provider with more than 12.6 million customers. DIRECTV and the Cyclone Design logo are registered trademarks of DIRECTV, Inc., a unit of The DIRECTV Group, Inc. (NYSE: DTV). The DIRECTV Group is a world-leading provider of digital multichannel television entertainment, broadband satellite networks and services, and global video and data broadcasting. The DIRECTV Group is 34 percent owned by Fox Entertainment Group, which is approximately 82 percent owned by News Corporation Ltd.
