C. GENERAL TERMS AND CONDITIONS OF THE PLAN

3. **Administration:**

3.1 The Plan will be administered by the Administrator, subject to applicable law, including but not limited to the instructions of the Companies Law.

3.2 Subject to the general terms and conditions of the Plan, the Administrator shall have the full authority in its discretion, from time to time and at any time to determine (i) the Grantees under the Plan, (ii) the number of Shares subject to each Award, the type of Award, and the Exercise Price per Share, (iii) the time or times at which the same shall be granted, (iv) the schedule and conditions, including Performance Conditions (as defined in Section 10 below), if applicable, on which Awards may vest or be exercised and on which Shares shall be paid for, (v) the method of payment for Shares purchased pursuant to any Award, (vi) the method for satisfaction of any tax withholding obligation arising in connection with an Award, including by the withholding, delivery or sale of Shares, (vii) rules and provisions, as may be necessary or appropriate to permit eligible Grantees resident or employed in any specific jurisdiction to participate in the Plan and/or to receive preferential tax treatment in their country of residence, with respect to Awards granted hereunder, and/or (viii) any other matter which is necessary or desirable for, or incidental to, the administration of the Plan.

3.3 The Administrator may, from time to time, adopt such rules and regulations for carrying out the Plan, as it may deem necessary.

3.4 The interpretation and construction by the Administrator of any provision of the Plan or of any Award thereunder shall be final and conclusive and binding on all parties who have an interest in the Plan or any Award or Exercised Share, unless otherwise determined by the Board.

4. **Eligible Grantees:**

4.1 The Administrator, at its discretion, may grant Awards to any employee, director, consultant and/or contractor of the Company. Anything in the Plan to the contrary notwithstanding, all grants of Awards shall be authorized and implemented only in accordance with the provisions of applicable law.

4.2 The grant of an Award to a Grantee hereunder, shall neither entitle such Grantee to participate, nor disqualify him from participating, in any other grant of Awards pursuant to the Plan or any other incentive plan of the Company.

5. **Date of Grant and Shareholder Rights:**

5.1 Date of Grant. Subject to Sections 7.1 and 7.2 hereof and to any applicable law, the Date of Grant shall be the date the Administrator resolves to grant such Award, or any later date, if so specified by the Administrator in its determination relating to the grant of such Award. The Company shall promptly give the Grantee a Notice of Grant following such resolution.

5.2 Shareholder Rights. A Grantee holding of an Award shall have no shareholder rights with respect to the Shares subject to such Award until such Grantee (i) shall have exercised such Award or such Award has vested, as applicable, and (ii) shall have all restrictions applicable to any Shares issued to him removed, if applicable; and (iii) has paid the applicable Exercise Price, if any; and (iv) has become the record holder of the Exercised Shares.

6. **Reserved Shares:**

6.1 The maximum number of Shares that may be subject to Awards granted under the Plan shall be an amount per calendar year, commencing on the 2008 calendar year, equal to 3.5% of the Company's issued and outstanding Share capital as of the 31st of December of the preceding calendar year, subject to adjustments as provided in Section 11 hereof. The amount stated above shall be re-set for each calendar year.

For the avoidance of doubt, any balance of such amount not utilized in a certain calendar year cannot be utilized in any following calendar year.

Notwithstanding the above, for the 2008 calendar year the aforementioned amount will be reduced by the number of Shares subject to Awards granted by the Company during the 2008 calendar year under its "2003 STOCK OPTION PLAN".

6.2 Without derogating from the foregoing in Section 6.1, all Shares under the Plan, in respect of which the right of a Grantee to hold or purchase or be issued the same shall, for any reason, terminate, expire or otherwise cease to exist, shall again be available for grant through Awards under the Plan, and under any sub-plans of the Plan, as the Administrator may determine at its own discretion, from time to time. Notwithstanding the above, Shares withheld or reacquired by the Company in satisfaction of tax withholding obligations pursuant to Section 14.2 below shall not be taken into account for the purposes of calculating the maximum number of Shares that may be subject to Awards pursuant to Section 6.1 above.

6.3 Without derogating from the foregoing, the Committee shall have full authority in its discretion to determine that the Company may issue, for the purposes of the Plan, previously issued Shares that are held by the Company, from time to time, as Dormant Shares (as such term is defined in the Companies Law).

6.4 Notwithstanding the foregoing, (i) a Grantee may elect, or (ii) the Company may determine at its sole and absolute discretion, at the time of exercise (or vesting) of an Award, that the Company shall issue, in lieu of Ordinary Shares, an equal number of the Company's American Depositary Receipts ("ADRs"), each of which represents one American Depositary Share which, in turn, represents one Share. For the avoidance of doubt, Awards may not be exercised for a combination of Shares and ADRs.

7. **Required Approvals; Notice of Grant; Vesting:**

7.1 The implementation of the Plan and the granting of any Award under the Plan shall be subject to the Company's procurement of all approvals and permits required by applicable laws or regulatory authorities having jurisdiction over the Plan, the Awards granted under it, and the Shares issued pursuant to it.

7.2 The Notice of Grant shall state, *inter alia*, the number of Shares subject to each Award, the type of Award, the vesting schedule, the dates when the Award may be exercised and/or will vest (as applicable), any restrictions upon transfer or sale of Shares (if applicable), the Exercise Price, the tax treatment to which the Award is subject and such other terms and conditions as the Administrator at its discretion may prescribe, provided that they are consistent with the Plan.

7.3 Vesting of Awards. Unless determined otherwise by the Administrator, the Vesting Period pursuant to which Awards shall vest, shall be such that all Awards shall be fully vested on the first business day following the passing of four (4) years from the Adoption Date, such that twenty five percent (25%) of the Shares subject to the Awards shall vest on the first anniversary of the Adoption Date, and 6.25% of the Shares subject to the Awards shall vest on the last day of each consecutive calendar quarter following the first anniversary of the Adoption Date (a total of 12 calendar quarters). Specifically with respect to RSUs and Options granted with an Exercise Price equal to the nominal value of a Share, unless determined otherwise by the Administrator, the Vesting Period shall be such that such Awards shall be fully vested on the first business day following the passing of four (4) years from the Adoption Date, such that twenty five percent (25%) of the Shares subject to such Awards shall vest on each of the four consecutive annual anniversaries following the Adoption Date.

Unless determined otherwise by the Administrator, a period in which the Grantee shall not be employed by the Company, or in which the Grantee shall have taken an unpaid leave of absence that is longer than 30 consecutive days (excluding a leave for military reserves duty or the mandatory maternity leave determined by law), or in which the Grantee shall not serve as a director, consultant or contractor of the Company, or in which the Grantee's average hourly position decreases by more than 50%, shall not be included in the Vesting Period. Notwithstanding the aforesaid, it is hereby clarified that the Vesting Period shall continue in any of the foregoing events that is the result of a Grantee's Disability, subject to the provisions of the Plan relating to Disability.

7.4 Acceleration of Vesting.

(a) Anything herein to the contrary in the Plan notwithstanding, the Administrator shall have full authority to determine at any time any provisions regarding the acceleration of the Vesting Period of any Award (including, without limitation, accelerating the vesting schedule of any outstanding unvested Award upon an event of a Change of Control), or the cancellation of all or any portion of any outstanding restrictions or Exercise Conditions with respect to any Award or Share upon certain events or occurrences, and to include such provisions in the Notice of Grant on such terms and conditions as the Administrator shall deem appropriate.

(b) Without deviating from the generality of the foregoing, the Board shall have full authority to determine with respect to Awards granted to certain executive officers of the Company, that in the event of the occurrence of both (i) a Change of Control, and (ii) either (A) the receipt of a notice of the Cessation of Services of the Grantee by the Company (i.e., not voluntarily by the Grantee), other than for Cause, within 12 months following the closing of said Change of Control (regardless of the effective date of such cessation), or (B) a demotion (or a notice thereof) in such Grantee's position or any other material adverse change in such Grantee's functions, duties or responsibilities, initiated by the Company or the Board within 12 months following the closing of said Change of Control; then all Awards granted to said Grantee and not yet exercised or expired will immediately become fully vested and/or exercisable (as applicable). It is clarified, that in the event of Cessation of Services, acceleration of vesting, as aforementioned, shall occur on the date that Cessation of Services becomes effective.

(c) With respect to Awards that the Administrator determines are subject to acceleration of vesting as aforementioned in this Section 7.4, in no event shall such acceleration rights be amended or altered in any way as a result of a Change of Control or any Corporate Transaction, and such rights shall continue to apply in any event of assumption or substitution of such Awards by any successor entity.

8. **Options:**

8.1 Exercise Price. The Exercise Price per Share subject to each Option shall be determined by the Administrator in its sole and absolute discretion, subject to applicable law and to guidelines adopted by the Board, from time to time. In the event the Exercise Price is not determined by the Administrator, and provided the Company's shares are listed on any Stock Market, the Exercise Price of an Option shall be equal to the average of the closing prices of one ADR of the Company, as quoted on the NASDAQ market, during the 30 consecutive calendar days preceding the Date of Grant.

8.2 Exercise of Options. Options shall be exercisable pursuant to the terms under which they were awarded and subject to the terms and conditions of the Plan. The exercise of an Option shall be made by a written Notice of Exercise delivered by the Grantee to the Company at its principal executive office, and/or to a Representative, in such form and method as may be determined by the Company, specifying the number of Shares to be purchased and accompanied by the payment of the Exercise Price, at the Company's or the Representative's principal office, and containing such other terms and conditions as the Administrator shall prescribe from time to time.

Each payment for Exercised Shares shall be in respect of a whole number of Shares, and shall be effected in cash or by a bank's check payable to the order of the Company, or such other method of payment acceptable to the Company.

8.3 Net Exercise. Notwithstanding the provisions of Section 8.2 above, the Board may determine that instead of issuing one Exercised Share as a result of the exercise of each one Option (subject to adjustments under Section 11 herein), any Options shall be exercised using the following method (the "**Net Exercise**");

(a) The Company shall issue to the Grantee a number of Shares having an aggregate Market Value (as defined below) equal to the Benefit Amount (the "**Net Exercise Shares**");

For the purposes of this section:

(i) The "**Benefit Amount**" shall mean the difference between:

(A) the product of (x) the Market Value and (y) the number of Shares subject to the Options for which a Notice of Exercise has been delivered to the Company; and

(B) the product of (x) the Exercise Price and (y) the number of Shares subject to the Options for which a Notice of Exercise has been delivered to the Company.

(ii) "**Market Value**" shall mean the closing price for a Share on the last trading day prior to the date of exercise, as reported or quoted on NASDAQ (or on any other Stock Market on which Shares are traded, if so determined by the Administrator).

(b) The Grantee shall not be required to pay to the Company any sum with respect to the exercise of such Options, other than a sum equal to the aggregate nominal value of the Net Exercise Shares (which shall be paid in a manner provided in Section 8.2 above) (the "**Nominal Value Sum**"). The Board, in its sole discretion, shall determine procedures from time to time for payment of such nominal value by the Grantee or for collection of such amount from the Grantee by the Company. However, the Company shall have the full authority in its discretion to determine at any time that the Nominal Value Sum shall not be paid and that the Company shall capitalize applicable profits or take any other action to ensure that it meets any requirement of applicable law regarding issuance of Shares for consideration that is lower than the nominal value of such Shares;

(c) In any event, no fractional Shares will be issued to the Grantee and the number of Shares granted to the Grantee under the Plan shall be rounded off (upward or downward, as the Administrator shall determine) to the nearest whole number.

8.4 Term of Options. Unless otherwise determined by the Administrator, anything herein to the contrary notwithstanding, but without derogating from the provisions of Section 8.6 below, if any Option has not been exercised and the Shares subject thereto not paid for within six (6) years after the Date of Grant (or any shorter or longer period set forth in the Notice of Grant), such Option and the right to acquire such Shares shall terminate, all interests and rights of the Grantee in and to the same shall *ipso facto* expire, and the Shares subject to such Options shall again be available for grant through Options under the Plan, any sub-plans of the Plan, as provided for in Section 6 herein.

8.5 The exercise of the Options shall be subject to any applicable law, including when applicable, the limitations in connection with the use of nonpublic information.

8.6 Cessation of Service.

(a) Employees. In the event of a Cessation of Service, all Options theretofore granted to such Grantee when such Grantee was an employee of the Company, unless determined otherwise by the Administrator, shall terminate as follows:

(i) All such Options that are not vested on the Date of Cessation shall terminate immediately, except as detailed in sub-section (iii) below.

(ii) If the Grantee's Cessation of Service is by reason of such Grantee's Disability, such Options (to the extent vested at the Date of Cessation) shall be exercisable by the Grantee or the Grantee's guardian, legal representative, estate or other person to whom the Grantee's rights are transferred by will or by laws of descent or distribution, at any time until the lapse of twelve (12) months from the Date of Cessation (but in no event after the expiration date of such Options), and shall thereafter terminate.

(iii) If the Grantee's Cessation of Service is by reason of such Grantee's death, then (A) the vesting of the Grantee's Options which are not vested and exercisable as of the Date of Cessation shall be accelerated and such Options shall become immediately vested and exercisable as of the Date of Cessation, and (B) such Options (to the extent vested at the Date of Cessation due to sub-section (A) or otherwise) shall be exercisable by the Grantee or the Grantee's guardian, legal representative, estate or other person to whom the Grantee's rights are transferred by will or by laws of descent or distribution, at any time until the lapse of twelve (12) months from the Date of Cessation (but in no event after the expiration date of such Options), and shall thereafter terminate.

(iv) If the Grantee's Cessation of Service is due to any reason other than those stated in Sections 8.6(a)(ii), 8.6(a)(iii) and 8.6(a)(v) herein, such Options (to the extent vested on the Date of Cessation) shall be exercisable at any time until the lapse of three (3) months from the Date of Cessation (but in no event after the expiration date of such Options), and shall thereafter terminate; provided, however, that if the Grantee dies within such period, such Options (to the extent vested on the Date of Cessation) shall be exercisable by the Grantee's legal representative, estate or other person to whom the Grantee's rights are transferred by will or by laws of descent or distribution at any time until the lapse of twelve (12) months from the Date of Cessation (but in no event after the expiration date of such Options), and shall thereafter terminate.

(v) Notwithstanding the aforesaid, if the Grantee's Cessation of Service is for Cause, all of the Options whether vested or not shall *ipso facto* expire immediately and be of no legal effect.

(vi) Whether the Cessation of Service of a particular Grantee is by reason of "Disability" for the purposes of paragraph 8.6(a) hereof, or is for Cause as set forth in paragraph 8.6(a)(v) hereof, shall be finally and conclusively determined by the Administrator in its absolute discretion.

(vii) Notwithstanding the aforesaid, under no circumstances shall any Option be exercisable after the specified expiration of the term of such Option.

(b) Directors, Consultants and Contractors. In the event of Cessation of Service of a Grantee, who is a director, consultant or contractor of the Company, the provisions of Section 8.6(a) above shall apply, *mutatis mutandis*.

(c) Notwithstanding the foregoing provisions of this Section 8.6, the Administrator shall have the discretion, exercisable either at the time an Option is granted or thereafter, to:

(i) Extend the period of time for which the Option is to remain exercisable following the Date of Cessation to such greater period of time, as the Administrator shall deem appropriate, but in no event beyond the specified expiration of the term of the Option; and/or

(ii) Permit the Option to be exercised, during the applicable exercise period following the Date of Cessation, not only with respect to the number of Shares for which such Option is exercisable at the Date of Cessation but also with respect to one or more additional installments in which the Grantee would have vested under the Option had the Grantee continued in the employ or service of the Company.

(d) Notwithstanding the foregoing provisions of this Section 8.6, unless determined otherwise by the Administrator, "Cessation of Service" shall not include: (i) a change in status from an employee, director, consultant and/or contractor to another such status, provided that the individual remains in the service of the Company in any capacity of employee, director, consultant and/or contractor, and (ii) the transfer of a Grantee from the employ or service of the Company to the employ or service of an Affiliate, or from the employ or service of an Affiliate to the employ or service of the Company or another Affiliate.

8.7 Re-pricing of Options. Subject to applicable law, the Administrator shall have full authority to, at any time and from time to time, (i) grant in its discretion to the holder of an outstanding Option, in exchange for the surrender and cancellation of such Option, a new Option having an Exercise Price lower than provided in the Option so surrendered and canceled and containing such other terms and conditions as the Administrator may prescribe in accordance with the provisions of the Plan, or (ii) effectuate a decrease in the Exercise Price (see Section 8.1 above) of outstanding Options.

9. Restricted Share Units:

9.1 Subject to the sole and absolute discretion and determination of the Administrator, the Administrator may decide to grant under the Plan, Restricted Share Unit(s) (“**RSU(s)**”). A RSU is a right to receive a Share of the Company, under certain terms and conditions, for a consideration of no more than the underlying Share’s nominal value. Upon the lapse of the Exercise Conditions of a RSU, such RSU shall automatically vest into an Exercised Share of the Company (subject to adjustments under Section 11 herein) and the Grantee shall pay to the Company its nominal value. The Board, in its sole discretion, shall determine procedures from time to time for payment of such nominal value by the Grantee or for collection of such amount from the Grantee by the Company. However, the Company shall have the full authority in its discretion to determine at any time that said nominal value shall not be paid and that the Company shall capitalize applicable profits or take any other action to ensure that it meets any requirement of applicable law regarding issuance of Shares for consideration that is lower than the nominal value of such Shares.

9.2 Unless determined otherwise by the Administrator, in the event of a Cessation of Service, all RSUs theretofore granted to such Grantee when such Grantee was an employee, director, consultant or contractor of the Company, as the case may be, that are not vested on the Date of Cessation, shall terminate immediately and have no legal effect.

9.3 All other terms and conditions of the Plan applicable to Options, shall apply to RSUs, *mutatis mutandis*. It is clarified, that without deviating from the foregoing in Sub-Section 9.2, the provisions of Section 8.6 herein shall, *mutatis mutandis*, apply to RSUs in any event of Cessation of Service.

9A. Restricted Shares.

9A.1 Restricted Share Awards may be granted upon such terms and conditions, as the Administrator shall determine.

9A.2 Purchase Price. No monetary payment (other than payments made for applicable Taxes) shall be required as a condition of receiving Shares pursuant to a grant of Restricted Shares. Notwithstanding the foregoing, the Grantee shall furnish consideration in the form of cash having a value not less than the nominal value of the Shares subject to an award of Restricted Shares. The Board, in its sole discretion, shall determine procedures from time to time for payment of such nominal value by the Grantee or for collection of such amount from the Grantee by the Company. However, the Company shall have the full authority in its discretion to determine at any time that said nominal value shall not be paid and that the Company shall capitalize applicable profits or take any other action to ensure that it meets any requirement of applicable law regarding issuance of Shares for consideration that is lower than the nominal value of such Shares.

9A.3 Vesting and Restrictions on Transfer. Shares issued pursuant to any Restricted Shares may (but need not) be made subject to Exercise Conditions as described herein, as shall be established by the Administrator and set forth in the applicable Notice of Grant evidencing such Award. During any restriction period in which Shares acquired pursuant to an award of Restricted Shares remain subject to Exercise Conditions, such Shares may not be sold, exchanged, transferred, pledged, assigned or otherwise disposed of unless otherwise provided in the Plan. Upon request by the Company, each Grantee shall execute any agreement evidencing such transfer restrictions prior to the receipt of Shares hereunder and shall promptly present to the Company any and all certificates representing Shares acquired hereunder for the placement on such certificates of appropriate legends evidencing any such transfer restrictions.

9A.4 Voting Rights; Dividends and Distributions. Except as provided in this section and any Notice of Grant, during any restriction period applicable to Shares subject to an award of Restricted Shares, the Grantee shall have all of the rights of a shareholder of the Company holding Shares, including the right to vote such Shares and to receive all dividends and other distributions paid with respect to such Shares. However, in the event of a dividend or distribution paid in Shares or other property or any other adjustment made upon a change in the capital structure of the Company as described in Section 11.1, any and all new, substituted or additional securities or other property (other than normal cash dividends) to which the Grantee is entitled by reason of the Grantee's award of Restricted Shares shall be immediately subject to the same Exercise Conditions as the Shares subject to the award of Restricted Shares with respect to which such dividends or distributions were paid or adjustments were made.

9A.5 Cessation of Service. Unless otherwise provided by the Administrator, in the event of Cessation of Service of a Grantee, for any reason, whether voluntary or involuntary (including the Grantee's death or disability), then the Grantee shall forfeit to the Company any Shares acquired by the Grantee pursuant to an award of Restricted Shares which remain subject to Exercise Conditions as of the Date of Cessation.

9A.6 All other terms and conditions of the Plan applicable to Options, shall apply to Restricted Shares, *mutatis mutandis*. It is clarified, that without deviating from the foregoing in Section 9A.5, the provisions of Section 8.6 herein shall, *mutatis mutandis*, apply to Restricted Shares in any event of Cessation of Service.

9B. Share Appreciation Rights.

9B.1 SARs may be granted upon such terms and conditions, as the Administrator shall determine.

9B.2 Exercise Price. The exercise price for each SAR shall be established in the discretion of the Administrator.

9B.3 Exercisability and Term of SARs. SARs shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria and restrictions as shall be determined by the Administrator and set forth in the Notice of Grant evidencing such SAR; provided, however, that no SAR shall be exercisable after the expiration of six (6) years after the effective date of grant of such SAR.

9B.4 Exercise of SARs. Upon the exercise of a SAR, the Grantee shall be entitled to receive payment of an amount for each Share with respect to which the SAR is exercised equal to the excess, if any, of (i) the closing price for a Share on the last trading day prior to the date of exercise, as reported or quoted on NASDAQ, over (ii) the exercise price. Payment of such amount shall be made solely in Shares, based on the said closing price, in a lump sum following the date of exercise of the SAR. For the avoidance of doubt, a SAR shall be deemed exercised on the date on which the Company receives Notice of Exercise from the Grantee.

9B.5 All other terms and conditions of the Plan applicable to Options, shall apply to SARs, *mutatis mutandis*.

10. Performance Based Awards:

10.1 Subject to the sole and absolute discretion and determination of the Administrator, the Administrator may decide to grant Awards under the Plan, the exercise or vesting of which, as applicable, shall be conditional upon the performance of the Company and/or an Affiliate and/or a division or other business unit of the Company or of an Affiliate and/or upon the performance of the Grantee, over such period and measured against such objective criteria as shall be determined by the Administrator and notified to the Grantee (“**Performance Based Award(s)**”). In granting each Performance Based Award, the Administrator shall establish in writing the applicable performance period (“**Performance Period**”), performance formula (“**Performance Formula**”) and one or more performance goals (“**Performance Goal(s)**”) which, when measured at the end of the Performance Period, shall determine on the basis of said Performance Formula the extent to which the Performance Based Award has vested and/or become exercisable (collectively, the “**Performance Conditions**”). For the avoidance of doubt, Performance Conditions may be determined for an Award either in addition to, or in substitution for, a Vesting Period.

10.2 After a Performance Based Award has been granted, the Administrator may, in appropriate circumstances, amend any Performance Condition, at its sole and absolute discretion.

10.3 If, in consequence of the applicable Performance Conditions being met a Performance Based Award becomes vested and/or exercisable in respect of some, but not all of the number of Shares underlying such Award it shall thereupon lapse and cease to be exercisable in respect of the balance of the Shares over which it was held.

10.4 Performance Conditions shall not be automatically waived merely due to an event of (i) a Cessation of Service, (ii) a Corporate Transaction, (iii) any other adjustment under Section 11 below, or (iv) a Sale under Section 11.5 below.

10.5 Measurement of Performance Goals. Performance Goals shall be established by the Administrator on the basis of targets to be attained with respect to one or more measures of business or financial performance that shall have the same meanings as used in the Company's financial statements, or, if such terms are not used in the Company's financial statements, they shall have the meaning applied pursuant to generally accepted accounting principles, or as used generally in the Company's industry ("**Performance Measures**"). For purposes of the Plan, the Performance Measures applicable to a Performance Based Award shall be calculated in accordance with generally accepted accounting principles, excluding the effect (whether positive or negative) of any change in accounting standards or any extraordinary, unusual or nonrecurring item, as determined by the Administrator, occurring after the establishment of the Performance Goals applicable to the Performance Based Award. Each such adjustment, if any, shall be made solely for the purpose of providing a consistent basis from period to period for the calculation of Performance Measures in order to prevent the dilution or enlargement of the Grantee's rights with respect to a Performance Based Award. Performance Measures may be one or more of the following, as determined by the Administrator: revenue; sales; expenses; operating income; gross margin; operating margin; earnings before any one or more of: share-based compensation expense, interest, taxes, depreciation and amortization; pre-tax profit; net operating income; net income; economic value added; free cash flow; operating cash flow; share price; earnings per share; return on shareholder equity; return on capital; return on assets; return on investment; employee satisfaction; employee retention; balance of cash, cash equivalents and marketable securities; market share; customer satisfaction; product development; research and development expenses; completion of an identified special project; and completion of a joint venture or other Corporate Transaction.

10.6 All other terms and conditions of the Plan applicable to Awards, shall apply to Performance Based Awards, *mutatis mutandis*.

11. **Adjustments, Liquidation and Corporate Transaction:**

11.1 Adjustments. Subject to any required action under any applicable law, the number of Shares subject to each outstanding Award, and the number of Shares which have been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Award, as well as the price per share of Shares subject to each outstanding Award, shall be proportionately adjusted, as the Board deems necessary or appropriate, for any increase or decrease in the number of issued Shares resulting from a share split, reverse share split, stock dividend, combination or reclassification of the Shares, or any other increase or decrease in the number of issued Shares effected without receipt of consideration by the Company, such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of a Grantee under the Plan; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Except as expressly provided in this Section 11, no issuance by the Company of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an Award.

Except as expressly provided in this Section 11, the grant of Awards under the Plan shall in no way affect the right of the Company to distribute bonus shares, to offer rights to purchase its securities, or to distribute dividends.

11.2 Adjustments to Options' Exercise Price due to Distribution of Dividends. If the Company distributes cash dividends with respect to all Shares issued to its shareholders, and the record date for determining the right to receive such dividends (the "Determining Date") is earlier than the Exercise Date of any Options granted hereunder, then the Exercise Price for each Option granted but not exercised prior to the Determining Date, shall be reduced by an amount equal to the gross amount of the dividend per Share distributed. If such distribution is in a currency different than the currency in which the Exercise Price is stated, said amount of reduction will be calculated in the same currency as the Exercise Price according to the representative rate of exchange as of the Determining Date, if applicable. Unless determined otherwise by the Board, the Exercise Price shall not be reduced to less than the nominal value of a Share.

11.3 Liquidation. Unless otherwise provided by the Board, in the event of the proposed dissolution or liquidation of the Company, all outstanding Awards will terminate immediately prior to the consummation of such proposed action. In such case, the Board may declare that any Award shall terminate as of a date fixed by the Board and give each Grantee the right to exercise his Award or have it vested, including Award that would not otherwise vest or be exercisable.

11.4 Corporate Transaction.

(a) In the event of a Corporate Transaction, immediately prior to the effective date of such Corporate Transaction, each Award may, among other things, at the sole and absolute discretion of the Board, either:

(i) Be substituted for a Successor Entity Award such that the Grantee may exercise the Successor Entity Award or have it become vested, as the case may be, for such number and class of securities of the successor entity which would have been issuable to the Grantee in consummation of such Corporate Transaction, had the Award vested or been exercised (as applicable), immediately prior to the effective date of such Corporate Transaction, given the exchange ratio or consideration paid in the Corporate Transaction, the Vesting Period and Performance Conditions (if any) of the Awards and such other terms and factors that the Administrator determines to be relevant for purposes of calculating the number of Successor Entity Awards granted to each Grantee; or

(ii) Be assumed by any successor entity such that the Grantee may exercise the Award or have his/her Award vest (as applicable), for such number and class of securities of the successor entity which would have been issuable to the Grantee in consummation of such Corporate Transaction, had the Award vested or been exercised immediately prior to the effective date of such Corporate Transaction, given the exchange ratio or consideration paid in the Corporate Transaction, the Vesting Period and Performance Conditions (if any) of the Awards and such other terms and factors that the Board determines to be relevant for this purpose.

(iii) Determine that the Awards shall be cashed out for a consideration equal to the difference between the price received by the shareholders of the Company in the Corporate Transaction and the Exercise Price, purchase price, or nominal value, as the case may be, of such Award.

In the event of a clause (i) or clause (ii) action, appropriate adjustments shall be made to the Exercise Price per Share to reflect such action.

(b) Immediately following the consummation of the Corporate Transaction, all outstanding Awards shall terminate and cease to be outstanding, except to the extent assumed by a successor entity.

(c) Notwithstanding the foregoing, and without derogating from the power of the Board or Administrator pursuant to the provisions of the Plan, the Board shall have full authority and sole discretion to determine that any of the provisions of Sections 11.4(a)(i) or 11.4(a)(ii) above shall apply in the event of a Corporate Transaction in which the consideration received by the shareholders of the Company is not solely comprised of securities of a successor entity, or in which such consideration is solely cash or assets other than securities of a successor entity.

11.5 Sale. Subject to any provision in the Articles of Association of the Company and to the Board's sole and absolute discretion, in the event of a Sale, each Grantee shall be obligated to participate in the Sale and sell his or her Shares and/or Awards in the Company, provided, however, that each such Share or Award shall be sold at a price equal to that of any other Ordinary Share sold under the Sale (and, unless determined otherwise by the Board, less the applicable Exercise Price), while accounting for changes in such price due to the respective terms of any such Award, and subject to the absolute discretion of the Board.

For purposes of a Sale, whether "all or substantially all of the issued and outstanding share capital of the Company is to be sold", shall be finally and conclusively determined by the Board in its absolute discretion.

11.6 The grant of Awards under the Plan shall in no way affect the right of the Company to adjust, reclassify, reorganize or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

12. Limitations on Transfer:

12.1 Unless determined otherwise by the Administrator, no Award shall be assignable or transferable by the Grantee to whom granted otherwise than by will or the laws of descent and distribution, and an Award shall vest or may be exercised (as applicable) during the lifetime of the Grantee only by such Grantee or by such Grantee's guardian or legal representative. The terms of such Award shall be binding upon the beneficiaries, executors, administrators, heirs and successors of such Grantee. Any ADRs or Shares acquired upon exercise or vesting of Awards shall be transferable only in accordance with applicable securities and other local laws, and may be subject to substantial statutory or regulatory restrictions on transfer, except to the extent exemptions (whether by registration or otherwise) are available.

12.2 Underwriter's Lock-up and Limitations on the Use of Nonpublic Information. The Grantee's rights to sell Exercised Shares may be subject to certain limitations (including a lock-up period), as will be requested by the Company or its underwriters, from time to time, or upon a specific occurrence, and the Grantee unconditionally agrees and accepts any such limitations. Furthermore, the Grantee's right to sell Exercised Shares is subject to applicable law, including in connection with limitation relating to the use of non-public information, if and when applicable.

13. Term and Amendment of the Plan:

13.1 The Plan shall continue until terminated by the Board. All Awards outstanding at the time of termination, as aforementioned, shall continue to have full force and effect in accordance with the provisions of the Plan and the documents evidencing such Awards.

13.2 Subject to applicable laws and regulations, the Board in its discretion may, at any time and from time to time, amend, alter, extend or terminate the Plan, as it deems advisable, including without limitation, change the vesting and exercise periods. In addition, the Administrator may adopt, as part of the Plan and based on it, sub-plans, in order to comply with all relevant and applicable laws and regulations of the country of residence of any Grantees.

14. Withholding and Tax Consequences:

14.1 All Tax consequences and obligations arising from the grant, vesting, or exercise of any Award (as applicable), or the subsequent disposition of, Shares subject thereto or from any other event or act (of the Company or of the Grantee) hereunder, shall be borne solely by the Grantee, and the Grantee shall indemnify the Company and hold it harmless against and from any and all liability for any such Tax, including without limitation, monetary liabilities relating to the necessity to withhold, or to have withheld, any such Tax payment from any payment made to the Grantee. Notwithstanding the above, the Company's obligation to deliver Shares upon the exercise or vesting of any Awards granted under the Plan shall be subject to the satisfaction of all applicable Tax withholding requirements as governed by applicable law or practice.

14.2 Withholding in Shares. The Company shall have the right, but not the obligation, to deduct from the Shares issuable to a Grantee upon the exercise or vesting of an Award, or to accept from the Grantee the tender of, a number of whole Shares having a fair market value, as determined by the Company, that will enable the Company to satisfy any Tax withholding obligations of the Company.

14.3 The Company shall not be required to release any Shares (or Share certificate) to a Grantee until all required payments have been fully made or secured.

14.4 The Grantee shall, if requested at any time by the Company, provide to the Company within 10 calendar days of such request, any information regarding the transfer or other disposition of Shares reasonably required by the Company in order for the Company to comply with applicable local laws and regulations or to obtain any benefits thereunder.

15. Miscellaneous:

15.1 Continuance of Employment. Neither the Plan nor the grant of an Award thereunder shall impose any obligation on the Company to continue the employment or service of any Grantee. Nothing in the Plan or in any Award granted thereunder shall confer upon any Grantee any right to continue in the employ or service of the Company for any period of specific duration, or interfere with or otherwise restrict in any way the right of the Company to terminate such employment or service at any time, for any reason, with or without cause.

15.2 Notwithstanding anything to the contrary in the Plan, it is hereby clarified, that any income attributed (or deemed to be attributed) to the Grantee as a result of the Plan, the grant, vesting or exercise of Awards thereunder, or the sale of Exercised Shares, shall not be taken into account for the purpose of calculating the Grantee's eligibility for any rights deriving from the employee-employer or service provider-client relationship between the Grantee and the Company.

15.3 Governing Law. The Plan and all instruments issued thereunder or in connection therewith, shall be governed by, and interpreted in accordance with, the laws of the State of Israel, excluding the choice of law rules thereof.

15.4 Application of Funds. Any proceeds received by the Company from the sale of Shares pursuant to the exercise or vesting of Awards granted under the Plan, as applicable, shall be used for general corporate purposes of the Company.

15.5 Multiple Agreements. The terms of each Award may differ from other Awards granted under the Plan at the same time, or at any other time. The Administrator may also grant more than one grant of Awards to a given Grantee during the term of the Plan, either in addition to, or in substitution for, one or more Awards previously granted to that Grantee. The grant of multiple Awards may be evidenced by a single Notice of Grant or multiple Notices of Grant, as determined by the Administrator.

15.6 Non-Exclusivity of the Plan. The adoption of the Plan by the Board shall not be construed as amending, modifying or rescinding any previously approved incentive arrangement or as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of share-based Awards otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

16. The provisions of the Plan shall not be construed as deviating from any applicable laws, rules and regulations.

In the event the Administrator determines that the Company shall elect one of the Taxation Routes for grants of 102 Awards, all grants of 102 Awards made following such election, shall be subject to the elected Taxation Route and the Company shall be entitled to change such election only following the lapse of one year from the end of the tax year in which 102 Awards are first granted under the then prevailing Taxation Route or following the lapse of any shorter or longer period, if provided by law; and

5. Trust:

(i) Upon the written request of any Beneficial Grantee, the Trustee shall release from the Trust the Exercised Shares issued, on behalf of such Beneficial Grantee, by executing and delivering to the Company such instrument(s) as the Company may require, giving due notice of such release to such Beneficial Grantee, provided, however, that the Trustee shall not so release any such Exercised Shares to such Beneficial Grantee unless the latter, prior to, or concurrently with, such release, provides the Trustee with evidence, satisfactory in form and substance to the Trustee, that payment of all taxes, if any, required to be paid upon such release has been secured.

(ii) Alternatively, subject to the terms hereof, provided the Shares are listed on a Stock Market, upon the written instructions of the Beneficial Grantee to sell any Exercise Shares, the Company and/or the Trustee shall use their reasonable efforts to effect such sale and shall transfer such Shares to the purchaser thereof concurrently with the receipt of, or after having made suitable arrangements to secure, the payment of the proceeds of the purchase price in such transaction. Without derogating from the above, with respect to 102 Awards, such shares shall be voted in accordance with the provisions of Section 102 and any rules, regulations or orders promulgated thereunder.

5.3 **Dividends.** Subject to any applicable law, tax ruling or guidelines of the Israeli Tax Authority, as applicable, for so long as Shares deposited with the Trustee on behalf of a Beneficial Grantee are held in Trust, the cash dividends paid or distributed with respect thereto shall be distributed directly to such Beneficial Grantee, subject further to any applicable taxation on distribution of dividends, and when applicable subject to the provisions of Section 102 of the Tax Ordinance, the 102 Rules and the regulations or orders promulgated thereunder.

5.4 **Notice of Exercise.** With respect to a 102 Award held in the Trust, a copy of any Notice of Exercise shall be provided to the Trustee, in such form and method as may be determined by the Trustee in accordance with the requirements of Section 102 of the Tax Ordinance.

6. Notice of grant:

6.1 The Notice of Grant shall state, *inter alia*, whether the Awards granted to Israeli Grantees are 102 Awards (and in particular whether the 102 Awards are granted under the Ordinary Income Route, the Capital Gains Route or as 102(c) Awards), or 3(i) Awards. Each Notice of Grant evidencing a 102 Award shall be subject to the provisions of the Tax Ordinance applicable to such awards.

6.2 Furthermore, each Grantee of a 102 Award under a Taxation Route shall be required: (i) to execute a declaration stating that he or she is familiar with the provisions of Section 102 of the Tax Ordinance and the applicable Taxation Route; and (ii) to undertake not to sell or transfer the Awards and/or the Exercised Shares prior to the lapse of the applicable Minimum Trust Period, unless he or she pays all taxes that may arise in connection with such sale and/or transfer.

7. Sale:

In the event of a Sale described in Section 11.5 of the Plan, with respect to Shares held in Trust the following procedure will be applied: The Trustee will transfer the Shares held in Trust and sign any document in order to effectuate the transfer of Shares, including share transfer deeds, provided, however, that the Trustee receives a notice from the Board, specifying that: (i) all or substantially all of the issued outstanding share capital of the Company is to be sold, and therefore the Trustee is obligated to transfer the Shares held in Trust under the provisions of Section 11.5 of the Plan; and (ii) the Company is obligated to withhold at the source all taxes required to be paid upon release of the Shares from the Trust and to provide the Trustee with evidence, satisfactory to the Trustee, that such taxes indeed have been paid; and (iii) the Company is obligated to transfer the consideration for the Shares (less applicable tax and compulsory payments) directly to the Grantees.

8. Limitations of Transfer:

In addition to the provisions of Section 12 of the Plan, as long as Awards and/or Shares are held by the Trustee on behalf of the Grantee, all rights of the Grantee over the Shares are personal, can not be transferred, assigned, pledged or mortgaged, other than by will or pursuant to the laws of descent and distribution.

9. Taxation:

9.1 Without derogating from the provisions of Section 14 of the Plan, the provisions of Section 14.1 of the Plan shall apply also to actions taken by the Trustee. Accordingly, without derogating from the provisions of Section 14.1 of the Plan, the Grantee shall indemnify the Trustee and hold it harmless against and from any and all liability for any such Tax, including without limitation, monetary liabilities relating to the necessity to withhold, or to have withheld, any such Tax from any payment made to the Grantee.

9.2 The Trustee shall not be required to release any Share (or Share certificate) to a Grantee until all required Tax payments have been fully made or secured.

9.3 With regards to 102 Awards, any provision of Section 102 of the Tax Ordinance, the 102 Rules and the regulations or orders promulgated thereunder, which is necessary in order to receive and/or to preserve any Tax treatment pursuant to Section 102 of the Tax Ordinance, which is not expressly specified in the Plan or in this Addendum, shall be considered binding upon the Company and the Israeli Grantee.

9.4 Guarantee. In the event a 102(c) Award is granted to a Grantee, if the Grantee's employment or service is terminated, for any reason, such Grantee shall provide the Company, to its full satisfaction, with a guarantee or collateral securing the future payment of all Taxes required to be paid upon the sale of the Exercised Shares received upon exercise of such 102(c) Award, all in accordance with the provisions of Section 102 of the Tax Ordinance, the 102 Rules and the regulations or orders promulgated thereunder.
